Special To The Trade

It has been brought to our attention that one or more of our competitors are notifying the trade "on account of our financial condition we are not too eager to sell."

This we wish to correct and state that we intend to be competitive with recognized wholesale nurseries in this area. Also, we do not propose to be undersold.

Compare Plants : Not Catalogues

We cordially invite you to visit us and inspect our many acres of field grown camellias, azaleas and other ornamentals. We are prepared to make attractive prices on truckload lots.
